**THIRD AMENDED
CASE PROGRESSION ORDER**

This matter is before the Court on the Plaintiff's Motion to Extend Deadlines in Case Progression Order ([Filing No. 61](#)). The Court has conferred with Defendants' counsel, and the motion is unopposed. After review of the motion and for good cause shown,

IT IS ORDERED that the Joint Motion to Extend Deadlines in Case Progression Order ([Filing No. 61](#)) is granted and the second amended case progression order is amended as follows:

- 1) The deadline for completing written discovery under Rules 33, 34, 36, and 45 of the Federal Rules of Civil Procedure is extended to **November 14, 2024**. Motions to compel written discovery under Rules 33, 34, 36, and 45 must be filed by **December 2, 2024**.

Note: A motion to compel, to quash, or for a disputed protective order shall not be filed without first contacting the chambers of the undersigned magistrate judge on or before the motion to compel deadline to set a conference to discuss the parties' dispute, and after being granted leave to do so by the Court.

- 2) The deadlines for identifying expert witnesses and completing expert disclosures¹ for all experts expected to testify at trial, (both retained experts, ([Fed. R. Civ. P. 26\(a\)\(2\)\(B\)](#)), and non-retained experts, ([Fed. R. Civ. P. 26\(a\)\(2\)\(C\)](#)), are extended to:

For the plaintiffs (as to liability and damages):	December 5, 2024
For the defendants (as to liability):	January 6, 2025
For the defendants (as to damages):	January 20, 2025

¹ While treating medical and mental health care providers are generally not considered "specially retained experts," not all their opinions relate to the care and treatment of a patient. Their opinion testimony is limited to what is stated within their treatment documentation. As to each such expert, any opinions which are not stated within that expert's treatment records and reports must be separately and timely disclosed.

- 3) The deposition deadline, including but not limited to depositions for oral testimony only under Rule 45, is extended to **March 5, 2025**.
- 4) The planning conference scheduled for December 4, 2024, is cancelled. The trial and pretrial conference will not be set at this time. A planning conference to discuss case progression, dispositive motions, the parties' interest in settlement, and the trial and pretrial conference settings will be held with the undersigned magistrate judge on **March 5, 2025**, at **11:00 a.m.** by telephone. Counsel shall use the conferencing instructions assigned to this case to participate in the conference.
- 5) The deadline for filing motions to dismiss and motions for summary judgment is extended to **March 31, 2025**.
- 6) The deadline for filing motions to exclude testimony on *Daubert* and related grounds is extended to **March 31, 2025**.
- 7) The parties shall comply with all other stipulations and agreements recited in their Rule 26(f) planning report that are not inconsistent with this order.
- 8) All requests for changes of deadlines or settings established herein shall be directed to the undersigned magistrate judge. Such requests will not be considered absent a showing of due diligence in the timely progression of this case and the recent development of circumstances, unanticipated prior to the filing of the motion, which require that additional time be allowed.

Dated this 9th day of September, 2024.

BY THE COURT:

s/Michael D. Nelson
United States Magistrate Judge
